

There is a triangle on my wall

this is my box
it is a square

Maths Challenge

Can you find something that is a square shape in your house?

Can you find something that is a rectangular shape in your house?

Can you find something that is a circular shape in your house?

Can you find something that is a triangle shape in your house?

Can you find any 3D shapes in your house?

(The children could, draw, label, take photographs, or write about their findings)

This plate is a circle

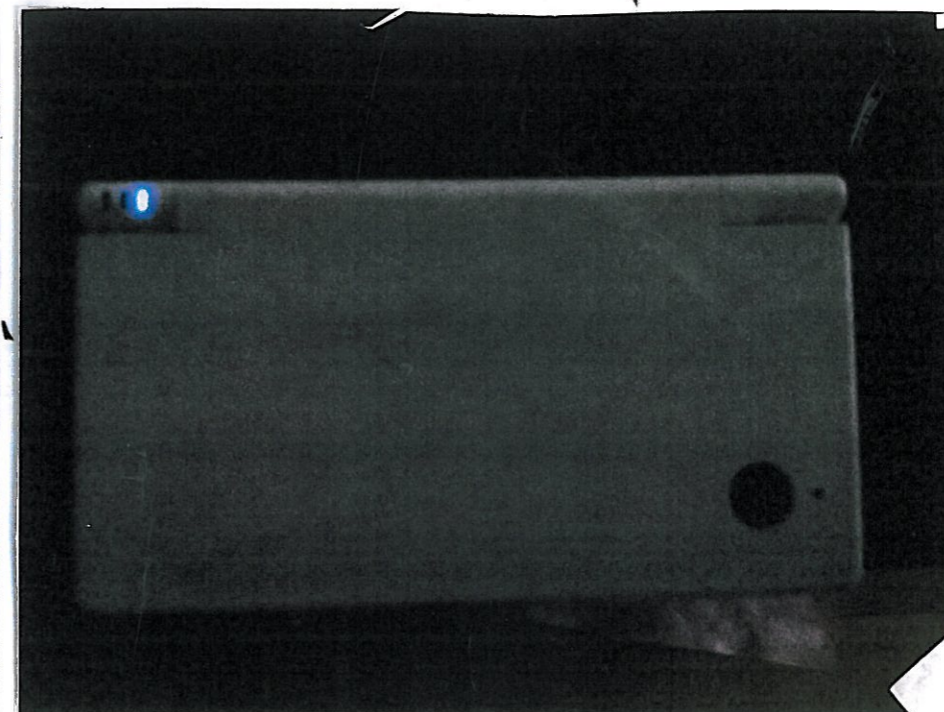

wow! wow! wow!

Rhys, this is outstanding I am very proud of you!

I made a snowball
it is a sphere

my DS
is a rectangle
